

# MISSION 6

*Cape Coral, Kissimmee, New Smyrna Beach, Palm Bay, Port Orange, TOHO Water Authority*  
Long Beach, MS  
October 13-19, 2005

## DAILY REPORT 2

Friday - October 14, 2005

### GOALS:

- Establish technology plan and connections for new city hall
- Provide coordination for Long Beach at the Harrison County Emergency Operations Center
- Provide data entry for the utilities damage assessment
- Coordinate utilities damage assessment with the master database
- Provide desk help for the Long Beach Building Department

### Summary

- Worked on PERU generator, still unable to get it running, will check with locals to see if we can have one of their city mechanics take a look at the generator. Per Tom Fitzgerald no one can get to the generator until next week. Jason Smith of the Long Beach Fire Department diagnosed the generator problem as a clogged fuel filter, will attempt to secure part tomorrow.
- Tom Fitzgerald, Sirat, Anna and Libby returning to Port Orange, Florida today
- E-mailed Mission 6-Activity Report 1-10/13/05
