Promptly after the affidavit of the petitioners' committee is filed, the clerk or other official designated by the council may, at the committee's request, issue the appropriate petition blanks to the petitioners' committee at the committee's expense.

(3) **Petitions.**

**(a) Number of signatures.** Initiative and referendum petitions must be signed by qualified voters of the city equal in number to at least 20 percent of the total number of qualified voters registered to vote at the last regular city election.

**(b) Form and content.** All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be executed in ink or indelible pencil and shall be followed by the address of the person signing. Petitions shall contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be reconsidered.

**(c) Affidavit of circulator.** Each paper of a petition shall have attached to it when filed an affidavit executed by the circulator thereof stating that he personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in his presence, that he believes them to be the genuine signature of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.
(d) **Time for filing referendum petitions.** Referendum petitions must be filed within 30 days after adoption by the council of the ordinance sought to be reconsidered.

(4) **Procedure for filing.**

(a) **Certificate of clerk; amendment.** Within 20 days after the initiative petition is filed and five days for a referendum petition, the city clerk or other official designated by the council shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars wherein it is defective and shall promptly send a copy of the certificate to the petitioner's committee by certified mail, return receipt requested. Grounds for insufficiency are only those specified in subsection (3). A petition certified insufficient for lack of the required number of valid signatures may be amended once if the petitioners' committee files a notice of intention to amend it with the clerk or other official designated by the council within two days after receiving the copy of the certificate and files a supplementary petition upon additional papers within ten days after receiving the copy of such certificate. Such supplementary petition shall comply with the requirements of subsections 3(b) and 3(c) of section 3.07, and within five days after it is filed the clerk or other official designated by the council shall complete a certificate as to the sufficiency of the petition as amended and promptly send a copy of such certificate to the petitioners' committee by certified mail, return receipt requested as in the case of an original petition. If a petition or amended petition is certified sufficient, or if a petition or amended petition is certified insufficient and the petitioners' committee does not elect to amend or request council review under subsection (b) of this section within the time required, the clerk or other official designated by the council shall promptly present his certificate [which] shall then be a final determination as to the sufficiency of the petition.

(b) **Council review.** If a petition has been certified insufficient and the petitioners' committee does not file notice of intention to amend it or if an amended petition has been certified insufficient, the committee may, within two days after receiving the copy of such certificate, file a request that it be reviewed by the council. The council shall review the certificate at its next meeting following the filing of such request and approve or disapprove it, and the council's determination shall then be a final determination as to the sufficiency of the petition.

(5) **Referendum petitions; suspension of effect of ordinance.** When a referendum petition is filed with the city clerk or other official designated by the council, the ordinance sought to be reconsidered shall be suspended from taking effect. Such a suspension shall terminate when:

(a) There is a final determination of insufficiency of the petition; or

(b) The petitioners' committee withdraws the petition; or

(c) The council repeals the ordinance; or

(d) After a vote of the city on the ordinance has been certified.

(6) **Action on petitions.**

(a) **Action by council.** When an initiative or referendum petition has been finally determined sufficient, the council shall promptly consider the proposed initiative ordinance in the manner provided in Article III or reconsider the referred ordinance by voting its repeal. If the council fails to adopt a proposed initiative ordinance without any change in substance within 60 days or fails to repeal the referred ordinance within 30 days, it shall submit the proposed or referred ordinance to the voters of the city.

(b) **Submission to voters.** The vote of the city on a proposed or referred ordinance shall be held not less than 30 days and not later than 60 days from the date that the petition was determined sufficient. If no regular city election is to be held within the period described in this subsection, the council shall provide for a special election, except that the council may, in its discretion, provide for a special election at an earlier date within the described period. Copies of the proposed or referred ordinance shall be made available at the polls.

(c) **Withdrawal of petitions.** An initiative or referendum petition may be withdrawn at any time prior to the fifteenth day preceding the day scheduled for a vote of the city by filing with the city clerk
or other official designated by the council a request for withdrawal signed by at least four members of the petitioners' committee. Upon the filing of such request the petition shall have no further force or effect and all proceedings thereon shall be terminated.

(7) **Results of election.**

(a) **Initiative.** If a majority of the qualified electors voting on a proposed initiative ordinance vote in its favor, it shall be considered adopted upon certification of the election results and shall be treated in all respects in the same manner as ordinances of the same kind adopted by the council. If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.
