NOTICE OF HEARING AS TO VIOLATION(S) ALLEGED

NOTICE: A FINE AND COSTS MAY BE IMPOSED AT THIS HEARING.
PLEASE GOVERN YOURSELF ACCORDINGLY.

Pursuant to Chapter 2, Article V, Code of Ordinances and Section 162.06, Florida Statutes, you are hereby called upon to take notice that a PUBLIC HEARING will be conducted in the above-styled cause by the Special Magistrate February 13, 2019, at 9:00 a.m., or as soon after as may be heard, in Council Chambers, City Hall, 1000 City Center Circle, Port Orange, Florida. An inspection of the premises on October 25, 2018, indicates that certain violation(s) of the City of Port Orange Code exist.

A reinspection conducted on November 5, 2018, resulted in non-compliance. This correspondence will serve as official notification that the below stated violation(s) must be corrected by December 16, 2018.

Briefly stated, the property is in violation of the following:

1. Chapter 42, (Nuisances), Article II (Garbage, junk, and undergrowth), Section 42-26 (Cleanliness of property generally-duty of owner), (d) (Maintenance of improved residential lots) of the City of Port Orange Code of Ordinances. The owner of an improved lot in a residential zone with lot sizes of one acre or less shall keep such lot free and clear of all fallen trees and limbs. All weeds, grass and undergrowth shall be cut to a height not exceeding ten inches. However, nothing in this subsection shall be construed to require natural areas located within larger improved lots to be cut to a height less than ten inches within such natural areas. (h) Abutting property owner maintenance of parkages. It shall be the duty of every owner of real property within the city to at all times cause to be cut and mowed the grass and weeds, and to cause to be cut and trimmed the flowers, vines, shrubbery, and trees not exceeding six feet in height, in a manner that protects and promotes the public health, safety and welfare and presents an aesthetically pleasing appearance in those areas of the parkage most nearly abutting their properties. Parkages abutting improved residential or commercial lots shall be maintained as provided in subsection (d) of this section for improved residential lots. Parkages abutting unimproved residential lots shall be maintained as provided in subsection (e) of this section for the maintained portion of unimproved residential lots. "Parkage" is that space between the private property lot or survey line of the property owner and the paved or graded portion of the public street adjacent thereto and includes that area between a sidewalk and street. Every property owner shall also have the duty of removing any refuse or other debris existing within the adjacent parkage, but the placement of refuse for collection in a manner and in containers specified by other provisions of this Code is not prohibited.

   a. The initial inspection of this property found high weeds and grass. To correct the violation, the entire property must be mowed and maintained to include edging, weed eating, and blowing of yard debris. Grass clippings are to be blown back onto the property off the street and sidewalk.
2. **Chapter 42 (Nuisances), Article II (Garbage, Junk and Undergrowth), Section 42-32 (Storage of vehicles, furniture, etc) of the City of Port Orange Code of Ordinances**: No owner of property within the city shall permit the storage of vehicles or parts of vehicles, furniture, appliances or other personal property upon the premises, except in an enclosed building.
   - The initial inspection of this property found an array of outside storage on the property. To correct the violation, all items on the outside of the property must be stored in an enclosed building.

3. **Chapter 42, (Nuisances), Article II, (Garbage, Junk and Undergrowth), Section 42-26, (Cleanliness of Property Generally Duty of Owner), (f) Garbage, waste, trash, etc., prohibited, of the City of Port Orange Code of Ordinances**: The owner of every lot, piece, and parcel of land located within the city shall keep each such lot, piece, and parcel of land free and clear of garbage, waste, trash, debris and junk.
   - The initial inspection of this property found trash and debris. To correct the violation, all trash and debris must be cleaned up and removed from the property.

4. **Chapter 16 (Miscellaneous Regulations), Section 3 (Fences and Walls), (b) General Provisions, (4) Design and maintenance, (b) & (d) of the City of Port Orange Land Development Code**:
   (b) All fences shall be maintained in their original upright condition.
   (d) Missing boards, pickets, or posts shall be replaced in a timely manner with material of the same type and quality.
   - The initial inspection of this property found a leaning fence, and the front fence panel down on the front area of the fencing where a gate would normally be. To correct the violation, the front fence panel needs to be placed back up in its upright condition. Ensure that all pickets, boards, and posts are in place and if missing, they are to be replaced with material of the same type and quality.

5. **Chapter 16 (Miscellaneous Regulations), Section 1 (Accessory Uses and Structures), (e) Outside Storage: Outside storage of new and used equipment and materials shall be regulated as follows, (1) Residential Uses (b) of the City of Port Orange Land Development Code**: Materials and equipment such as appliances, unlicensed or inoperable motor vehicles, motor vehicle parts, and equipment and materials used as part of a business conducted off-site shall not be stored outside.
   - The initial inspection of this property found a commercial trailer and commercial equipment parked on site. To correct the violation, the commercial trailer and equipment must be removed from the property.

6. **Chapter 3 (General Requirements), Section 304 (Exterior Structure), 304.13 (Window, skylight and door frames) of the 2018 International Property Maintenance Code as adopted per Chapter 14, Article II of the City of Port Orange Code of Ordinances**: Every window, skylight, door and frame shall be kept in sound condition, good repair and weather tight.
   - The initial inspection of this property found broken window(s) on site. To correct the violation, all broken windows must be repaired and replaced.
