Parkages abutting improved residential or commercial lots shall be maintained as provided in subsection (d) of this section for improved residential lots. Parkages abutting unimproved residential lots shall be maintained as provided in subsection (e) of this section for the maintained portion of unimproved residential lots. "Parkage" is that space between the private property lot or survey line of the property owner and the paved or graded portion of the public street adjacent thereto and includes that area between a sidewalk and street. Every property owner shall also have the duty of removing any refuse or other debris existing within the adjacent parkage, but the placement of refuse for collection in a manner and in containers specified by other provisions of this Code is not prohibited.
