The Eastport Business Center Community Redevelopment Area (CRA) is situated within the eastern portion of Port Orange, west of and adjacent to the Florida East Coast Railroad. This area historically served as the industrial core of the City.

The creation of the Eastport Business Center Community Redevelopment District in 1995 was the first of many steps to be undertaken by the City to diversify its tax base, bolster Eastport’s image and desirability as a major employment center, and increase opportunities for higher wage manufacturing and industrial jobs within the City.

Eastport is comprised of one hundred thirty-nine (139) tax parcels constituting approximately two hundred seventy (270) acres of land. Based on the Volusia County Property Appraiser’s Final Tax Roll data, there was $1,370,390 increase in taxable value between 2017 and 2018. The 2018 total taxable value within Eastport stands at $32,942,373.

Eastport is also a Tax Increment Financing District, which is a dependent special district of the City of Port Orange. The Eastport Tax Increment Financing District targets ad valorem tax revenues to this area to fund infrastructure improvements and other programs as outlined in the Redevelopment Plan to help ensure that Eastport remains a viable economic center for decades to come.

The County of Volusia and Halifax Hospital participate in the Tax Increment Trust Fund and are valued partners in the City’s redevelopment efforts.

### EASTPORT GOALS AND OBJECTIVES

The Eastport Business Center Redevelopment Plan, adopted in 1995 and updated in 2010, establishes a series of goals, objectives and policies designed to help Eastport maintain its position as an important industrial center within the community. The four (4) primary goals of the plan are:

**GOAL 1**—Stimulate new development, redevelopment and investment;

**GOAL 2**—Establish the area as a primary employment center offering full-time skilled labor positions;

**GOAL 3**—Promote business retention and assistance in expansion, renovation, and improvement efforts; and

**GOAL 4**—Improve the physical condition to meet modern business park development criteria.

### SPECIAL POINTS OF INTEREST:

- Eastport is home to many of the City’s top manufacturers that do business throughout the country and around the globe.
- The Eastport Business Center CRA was created in 1995.
- Eastport’s taxable value has more than doubled since establishment of the CRA.
Implementation of the plans, projects and programs identified in the Eastport Redevelopment Plan is largely dependent on available revenues. During FY 2017/2018, the Eastport CRA operated with an adopted budget of $198,522. Of that amount, 89% went towards debt service obligations. This left a very limited amount of funding for plan implementation.

Development projects complete, under construction or under review in FY 17/18:
1. Construction began on a ±1,776 square-foot addition to an existing warehouse, along with associated site improvements at 400 Oak Place.
2. A Development Order was issued for the construction of a ±8,960 square-foot office/warehouse building, along with associated site improvements at 419 Oak Street. The building and site are anticipated to be complete in FY 18/19.

SVN Alliance Commercial Real Estate Advisors continued to assist the City in the sale of the remaining City owned lot in the Eastport Business Park, among other City owned properties in the City. During FY 17/18, the City was under contract with US Glass Holdings for the sale of the last City-owned lot in the Eastport Business Park, located at 4500 Eastport Parkway. The sale was finalized the first week of October 2018.

The Annual Financial Statement of each CRA in the State of Florida is required to set forth the Agency’s assets, liabilities, income and operating expenses as of the end of the fiscal year. This information is presented on the following page.

The Eastport Business Center CRA operates on an October 1st - September 30th fiscal year. The Debt Service Schedule for the Eastport Business Center CRA is available from the City’s Finance Department.

The initial $2.5 million note, issued in 2006, has an interest rate of 3.922% and is projected to be paid off by FY 2025. The majority of these funds were used for infrastructure improvements, including construction of Eastport Parkway and extending potable water and sanitary sewer lines, to help create the Eastport Business Park. Master planned stormwater improvements were also constructed.

The debt service payment for the 2006 Eastport TIF Note for FY 2017/2018 was $177,066.

This Annual Report has been prepared in compliance with the requirements of Chapter 163.356(3)(c), Florida Statutes. The notice of the availability of this report has been published in the Daytona Beach News Journal. Additionally, the governing body of each special district is required under Chapter 163.387(8) to annually provide an independent financial audit of its trust fund to each taxing authority that pays into the trust fund. This audit of the Agency’s assets, liabilities, income and expenses, as required under Chapter 163.356(3)(3) is included with the City’s Comprehensive Annual Financial Report (CAFR) for each fiscal year.

The Eastport Business Center Redevelopment Plan - Update 2010 is available for review on the City’s website. Redevelopment plans, projects and programs are made possible through tax increment financing. The County of Volusia and Halifax Health, along with the City of Port Orange, contribute to the Eastport Business Center Tax Increment Trust Fund. All revenue derived from tax increment financing is deposited into the Trust Fund. All expenditure of TIF revenues must be consistent with the plans, projects and programs outlined in the adopted Eastport Business Center Redevelopment Plan.

The Eastport Business Center Redevelopment Plan was originally adopted in 1995. A complete update of the Plan was undertaken throughout 2009, culminating with the adoption of the Eastport Business Center Redevelopment Plan - Update 2010. This updated Plan guides redevelopment activities in Eastport until the sunset of the CRA in 2036.
