

Council thanked the Committee and asked them to bring more events to include special needs.

Councilman Ford arrived at 5:26 p.m.

Susan Lovallo, Parks & Recreation Director, provided details of the event and requested Council consider 50% of the hours vs. full costs in future contracts. The damage due to too much rain is an issue. There was parking available along Halifax Drive.

6. The Down Under Redevelopment

Tim Burman, Community Development Director, discussed redevelopment of the area under the Dunlawton Causeway. Councilman Bastian liked murals half way up the pilings vs. full murals or lighting. They supported additional parking areas. Councilman Tramont preferred lights over the murals.

7. I-95 Gateway Signage

Mr. Burman discussed three options for signage at I-95. Council wants to keep it simple for easier maintenance and a natural look. They agreed to wing wall signage.

8. Monthly Financial Report

Tracey Riehm, Financial Director, provided the details from the monthly financial report.

9. Budget Discussion

Ms. Riehm provided an overview of the budget, uses of "fund balance", and discussed roll back and unfunded items. Lynn Stevens, Interim Public Works Director, discussed the generator program and her request for two new message boards. Ken Fustin, Fire Chief, discussed the transport program and 105' ladder/aerial quint apparatus requests. Councilman Ford is concerned that Port Orange citizens are going to be paying duplicate taxes for ambulance services because it is a County function. Chief Fustin also discussed the need for kitchen renovations at Stations 71 & 74.

Mayor Burnette advised Council he will be out of town as will Councilman Bastian. They suggested moving it to Monday, June 18, 2018. Mr. Johansson will look at the calendar for possible dates.

ADJOURNMENT – 8:14 p.m.

Mayor Donald O. Burnette

Attest:

Robin Fenwick, CMC, City Clerk
