

To Whom It May Concern,

The City of Port Orange Parks and Recreation Department invites you to be a part of the Senior Games taking place March 10th - 19th. We understand that the 50+ population is valuable in the community and we are offering you this wonderful opportunity to support the athletes and promote your business. The Senior Games are part of The Florida State Games which have been around since 1977 and we want to become a part of that exciting history for people 50 years and older. The focus of the Senior Games is not winning, but promoting health, wellness and fun! The Games this year will be sanctioned, meaning the top competitors will be advancing to state competition and possibly nationals. With your help, we can make the Port Orange Senior Games the best in Volusia County!
