Special Services & Information

Bulk Household Items such as Furniture, Carpet, etc.
These items may be placed curbside on your household garbage collection day. This includes residential remodeling construction debris provided the resident DOES the work. Licensed contractors MUST remove debris at their own expense.

Appliances and White Goods

Large appliances are collected by Waste Pro and separated for recycling. Please place them curbside on your household garbage collection day. Doors of refrigerators must be removed for safety. Consider contacting a charitable or non-profit organization if the item is still usable.

Automobile Tires and Batteries

Tires and batteries should be placed curbside on your household garbage collection day. Waste Pro will collect these with a special truck so they are NOT commingled with household garbage. Limit 8 tires and 2 batteries per household, per year.

Motor Oil

Motor oil is banned from landfill disposal to protect water supplies. Recycle used oil only at recycling igloos at county fire stations and other facilities. Please visit www.volusia.org/services/public-works/solid-waste-and-recycling/recycling/recycling-drop-off-sites.html to find one near you.

Download the FREE **Recycle Coach™** app

Used Paint

Waste Pro will not pick up paint, thinners or solvents. Tomoka Landfill has a free paint exchange program and collects unused paints, in turn donating them to non-profit organizations and families in need. Call (386) 943-7889 or drop off at 1900 Tomoka Farms Road.

Sharps

Improper disposal of hypodermic needles for diabetes or other illness could pose a public health hazard. Port Orange residents can drop off sharps containers to any Port Orange Fire Department or Volusia County Health Department for proper disposal. Please keep the safety of our employees in mind.

Cooking Oil

Please place cooking oil in a container and contact Waste Pro at (386) 492-8855 to arrange for pickups. This will prevent oil spills on the road.

Electronic Recycling

Residents may drop off obsolete electronics, including TVs, computers, monitors, printers, and cell phones at the Tomoka Landfill, free of charge.

Propane Tanks

Residents may drop off obsolete and expired propane tanks at the Tomoka Landfill, free of charge.

Service to Handicapped

Upon request, door service to handicapped residents will be provided if there are no able-bodied persons in the household. Requests, along with a doctor's statement, should be submitted to Solid Waste Manager, 407 Virginia Avenue, Port Orange, FL 32127 or faxed by your Doctor to (386) 756-5365.

Holidays

Collection will be done on all holidays except Thanksgiving, Christmas, and New Year's Day. Collection for these days will be rescheduled. The schedule will be noted in the City's Fall Newsletter and an advertisement will appear in The Daytona Beach News-Journal.

Hazards of Illegal Dumping & Illicit Discharges

Illegal Dumping - Health risks from rodents, vermin, insects and mosquitoes can multiply many times faster than normal in warm, stagnant water entrapped in dumped materials. Other hazards such as **fire hazard and flooding** and their impact on **water quality**, decrease in property values and rise in **maintenance costs**, may all come from illegal dumping.

Illicit Discharges - Toxic pollutants such as heavy metals and organic toxicants cause disease upon contact or consumption. Landscape irrigation runoff, construction site dewatering, automobile washing and laundry wastes, malfunctioning septic systems, improper disposal of oil, wastewater, litter and spills can cause excessive algal growth and threaten aquatic life. City storm water drainage systems are not designed to accept, process or discharge such wastes.

It is a violation to dump yard debris or domestic refuse in or on a storm drain. The storm drain will be blocked or clogged which may contribute to flooding.

Commercial Recycling Services are available for bulk paper and cardboard on a weekly schedule. Please call Waste Pro at **(386) 492-8855** for pricing and schedules.

For any questions please contact: Waste Pro at **(386) 492-8855** or Public Works at **(386) 506-5575**

Solid Waste News

Informative Newsletter from The City of Port Orange on Solid Waste Management

November 1, 2016 - October 31, 2021

Solid Waste Collection

Please Have Material Curbside By 7:00 am to Ensure Collection! Waste Pro can collect from 7:00 am to 7:00 pm.

Basic Garbage Service

This service includes two (2) weekly collections of garbage and household trash from places of residence. Household garbage must be placed in watertight plastic bags or garbage cans with suitable handles.

The cans should NOT exceed 32-gallon capacity, or 50 pounds in weight.

Any container larger than 32 gallons must have debris bagged for easy and safe removal. See inside for your collection days.

Basic Yard Waste Service

This service includes one (1) **weekly** collection of yard waste each **Wednesday**, bagged in garden-sized plastic bags, boxed, bundled, or placed in garbage cans, **not to exceed 50 pounds in weight.**

Large Yard Waste Pile Service - Requiring Claw Truck

Accumulations or piles of yard waste will be picked up once a week depending on your Zone. See inside for your Zone collection day.

Please Note: An additional charge may apply to yard waste that exceeds 4 ft. in length or 18 in. in diameter or more than 5 cubic yards. **If you hire a tree service to trim or remove trees, they MUST remove debris at their own expense.**

(386) 492-8855

There is more than meets the eye running the South's Premier Waste Removal Service company. Every day hundreds of trucks serve thousands of customers, collecting and properly disposing of a mountain of solid waste and recycling materials. It takes professional, experienced, hard working and dedicated people, working together, to accomplish this task.

Every one of our Employees is focused to achieve continuous improvements. The versatility of the Waste Pro fleet allows us to be able to serve any Customer need. We are able to provide a comprehensive range of waste collection systems involving a large variety of vehicles and equipment. Each one is specifically designed to provide individualized service to each homeowner or to an entire city. Every facet of our operation is geared toward providing "whatever it takes" to service our Customers' demands!

Our Management team has over 1000 years of combined experience within the industry. We are proud to serve the City of Port Orange.

Residential Recycling Service

Basic Recycling Service

Please have material curbside by 7:00 am to ensure collection. Limit three (3) bins per household.

This service includes one (1) weekly collection of recyclable materials placed in one (1) or more containers approved by the City and designated for recycling purposes.

Please read the following information carefully to avoid contaminating recycling loads which could be refused at market. Non-recyclable materials will be left in your bin to let you know that item is not recyclable.

If you have large boxes, cut or fold them to 2 feet by 2 feet, then stack them between or under bins. Please do not bundle or tie flattened boxes together. Cardboard larger than 2 feet will be collected with garbage.

No Styrofoam, plastic bags or glass. Grocery bags can be recycled at most grocery stores.

Residents Using One (1) Bin

Please keep paper products separated by placing them in a paper grocery bag which can be placed on top of commingled material.

Residents Using Two (2) Bins

BIN # 1:

Aluminum and steel cans
Plastic containers with recycle symbols 1-7

Plastics

BIN # 2:

Newspapers (plastic sleeve removed)
Junk mail & magazines
Phone books
Mixed office paper
Cereal and snack boxes
Cardboard boxes (flattened and cut to 2' by 2')

Need a Bin or Replacement Bin?
Customers can pick bins up at the Public Works Department at 407 Virginia Avenue. Please call (386) 506-5575 or (386) 492-8855 if you have questions.
