

INSTRUCTIONS FOR SINGLE-FAMILY RESIDENTIAL AND DUPLEX LOT TREE REMOVAL

NON-RESIDENTIAL (COMMERCIAL) AND MULTI-FAMILY PROPERTIES ARE REQUIRED TO PROVIDE A SITE PLAN OR SURVEY SHOWING THE LOCATION OF THE TREES TO BE REMOVED.

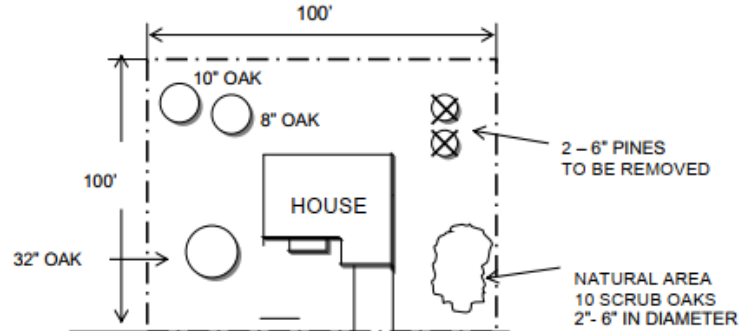

PLEASE NOTE: Live Oak and Bald Cypress trees 36 inches in diameter or greater may only be removed upon approval by the City Council. Contact the Planning Department for additional information at (386) 506-5601.

- It is recommended that HOA residents contact their HOA board for their approval prior to submitting a tree removal permit. The City does not enforce private covenants and restrictions.
- Mobile home park residents need authorization from park management for tree removal permits.
