

City of Port Orange Commercial Business Tax Application Procedures

The following procedures must be followed to obtain a Business Tax Receipt with the City of Port Orange. These requirements may vary depending upon the type of business, location, state regulation, etc.

1. Complete the Business Tax application packet in its entirety. **The operation of a business is not permitted until a City Business Tax Receipt and Certificate of Occupancy is issued. This process normally takes approximately 10 business days to complete.**
2. Attach a sketch/concept plan of the proposed business. The plan needs to include the interior space layout including bathrooms, storage, offices, etc. and layout of the site.
3. Copy of business owner's driver's license or other state issued identification.
4. Businesses requiring a State License **must** attach a copy of the current license. State licenses are location specific and need to be registered to the current place of business.
5. A copy of the Fictitious Name, LLC, or Articles of Incorporation accepted by the Division of Corporations is required unless you are using your **formal first and last name only**.
6. Payment for the Business Tax Receipt and Use Inspection permit will be collected once approval is received from the Planning & Zoning Department and Public Utilities Department.
7. Businesses needing zoning approval on the Alcoholic Beverage and Retail Tobacco Products Dealer Permit Application will be required to complete the Business Tax application process prior to zoning approval. **Please include the ABT application page required with this application for zoning approval.**
8. Use Inspection by Building Department and Fire Marshal will be required if the business tax application is not associated with a building permit.

ACKNOWLEDGEMENTS / CERTIFICATION

I understand that this business tax is for the privilege of engaging in the business, profession, or occupation shown and only at the address shown herein. I also understand that the issuance of this business tax does not permit engaging in or managing any business in violation of federal, state or local law, regulation, ordinance or order. **A Business Tax Receipt may not be used or presented as a license to perform any service or work.** **If Handyman, Repairman, Maintenance, or Construction Subcontractor, I understand I can be assessed a penalty if I advertise to perform work or perform work which requires State Licensure.

Acknowledgement for Commercial Location Business

I acknowledge that the issuance of this Business Tax Receipt is contingent upon complying with the building and fire prevention requirements of the City of Port Orange. An inspection will be performed, and should deficiencies be found that are in conflict with the city code, I understand that the City of Port Orange will not issue the Business Tax Receipt until I (or the owner of the building, if leased) make the required corrections. I understand that should corrections be necessary, I am not permitted to operate this business until those corrections have been made.

OWNER SIGNATURE: _____ **DATE:** _____

Certification

I certify that all the information contained herein is true and correct to the best of my knowledge and belief. If any portion is found to be false or misrepresented, such fact may be just cause for immediate revocation of any Business Tax Receipt issued to me. It is further understood that I must comply with the code of the City of Port Orange and failure to correct conditions which are in violation is punished under the code or sufficient cause for revocation of my Business Tax Receipt. I understand that if I engage in a business under a fictitious name, I must comply with the fictitious name statute.

The Florida Department of Environmental Protection requires annual testing of all backflow preventers. This survey follows the same program.

Survey Questions	Yes	No
Are there any backflow prevention devices installed in any part of your piping?		
Is there another source of water to your property other than the service connection to the public potable supply? i.e., reclaimed water, private well, lake, stream, river, pond, etc.		
Is there an irrigation system on your property?		
Are there any facilities (i.e. a booster pump, elevated tank, etc.) to increase the water pressure above the supply pressure presently provided by the public potable supply?		
Are there any toxic or non-toxic chemicals used in your operation?		
Are there any ejectors, aspirators or pumps used in your operation?		
Is there any water recycled during the operation of your air conditioner or other equipment in your plant or building?		
Are there any water supply lines submerged in tanks, vats, etc.?		
Is there a fire stand pipe or fire sprinkler system installed in your building?		
Is your building more than two (2) stories tall?
