FOR IMMEDIATE RELEASE

September 17, 2018

Water Main Break on Spruce Creek Road

Port Orange, FL – On Sunday evening, 9/16/18, at approximately 11 pm, there was a 12-inch water main break on Spruce Creek Road. Effectively immediately and through Wednesday, September 19th, there will be a **precautionary** boil water notice for all customers on Spruce Creek starting from Taylor Road South. Due to the seriousness of the issue, the City will be putting up electronic signs indicating the precautionary boil water notice until the main is fixed.

Approximately 12:30 am, 9/17/18, the leak was isolated and the water has stopped flowing. Crews have been working to minimize the impact to customers. Repairs are expected to be completed today, Monday, 9/17/18. A few residents may be out of water with most customers to experience low pressure as crews repair the line.
