FOR IMMEDIATE RELEASE

September 19, 2018

****UPDATE Precautionary Boil Water Notice Rescinded****

Port Orange, FL – The **precautionary** boil water notice has been rescinded for all customers on Spruce Creek Road starting from Taylor Road South after a 12-inch water main break on Spruce Creek Road that occurred on Sunday, September 16.

The city's Public Utilities department conducted 2 rounds of bacteriological testing as required by the Volusia County Health Dept. and have found the water quality to be excellent. The city gives customers their full assurance that customers can resume using their water without boiling it and the city has complete confidence in its quality and safety.
