Building Permit Application Supplement Continued
Special Flood Hazard Area

Agreement by Property Owner or by Owner's Agent:

I agree to correct any construction deficiencies identified by inspection that are determined to be necessary to assure compliance with the applicable building permit, including elevation of the lowest floor, elevation of machinery and equipment servicing the building, and provisions applicable to any enclosures below the elevated building, including crawl/underfloor spaces. I agree to have the NFIP Elevation Certificate (FEMA Form 086-0-33) completed and signed by a Florida licensed professional surveyor and to submit it as required by the Florida Building Code. I agree to have any deficiencies in the Elevation Certification corrected.
