It is expressly understood and agreed by both parties hereto that the City is contracting with the successful vendor as an independent contractor. The parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the successful vendor under this contract and that the successful vendor has no authority to bind the City.

The Vendor represents itself to be an independent contractor offering such services to the public and shall not represent himself or his employees to be an employee of the City. Therefore, the Vendor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, worker's compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the City, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney's fees); and damage of any kind related to such matters. The Vendor shall further understand that the City cannot save and hold harmless and or indemnify the Vendor and/or the Vendor's employees against any liability incurred or arising as a result of any activity of the Bidder/Proposer or any activity of the Vendor's employees performed in connection with the Contract.

Where unit pricing and extended pricing differ, unit pricing prevails. In the event of any discrepancy between the written amounts and the numerals, the written amounts shall govern and will be considered as the price bid.

When submitting Bids/Proposals based on a Lump Sum basis, Vendors shall be required to submit a Schedule of Unit Pricing for each line item listed on the Bid Proposal in order to be considered for award.

73. PRODUCTS/ESTIMATES:

Items included on the Bid Form represent the needs of various departments within the City. This is in no way to be construed as the entire or complete list of products to be purchased from the resulting contract.

If you believe that any portion of your response is exempt, you should clearly identify the specific documents for which confidentiality is claimed and provide specific legal authority of the asserted exemption. Any financial statement that an agency requires a prospective Vendor to submit in order to prequalify for bidding or for responding to a proposal for a road or any other public works project is exempt from Section 119.07, Florida Statutes, and Article I, 24(a), Florida Constitution.

All existing structures, utilities, services, roads, trees, shrubbery, etc. shall be protected against damage or interrupted service at all times by the Vendor during the term of contract, and the Vendor shall be held responsible for any damage to the property occurring by reason of his operation on the property.

77. PUBLIC RECORDS COMPLIANCE

Contractor shall comply with public records laws as set forth in Section 119, Florida Statutes, and shall specifically:

- a. Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

The failure of Contractor to comply with a public records request shall constitute a material breach of the contract.

78. **PUBLIC RECORDS/PUBLIC MEETINGS EXEMPTION STATEMENT**

Section 119.071(1)(c), Florida Statutes: **Any financial statement that an agency requires a prospective Vendor to submit in order to prequalify for bidding or for responding to a proposal for a road or any other public works project is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. On June 2, 2011, Governor Scott signed HB 7223 into law.** This new legislation amends Florida's Public Records and Sunshine Laws, by expanding "exemptions" applicable to bids, proposals and replies to sealed competitive solicitations, and closes evaluation meetings from the public in certain instances. First, Section 119.071, Florida Statutes was amended to provide that sealed bids, proposals, or replies received by a Florida public agency shall remain exempt from disclosure until an intended decision is announced or until 30 days from the opening, whichever is earlier. This means that Vendors will not be able to procure a copy of their competitor's bids until an intended decision is reached or 30 days has elapsed since the time of the bid opening. The prior version of the law provided for a 10-day exemption. Next, Section 286.0113, Florida Statutes was amended to provide that meetings of persons appointed to evaluate bids or proposals and negotiate contracts shall be closed in certain circumstances. Specifically, portions of such meetings may now be closed to the public during oral presentations made by a vendor, or where a vendor answers questions. In other words, neither Vendors, nor the public will be permitted to sit in on meetings, unless this exemption is waived by the City Council, wherein their competitors are making presentations or discussing their bid or proposal with the committee members. The portions of these meetings must still be recorded and are subject to disclosure at the time of an intended award decision or within 30 days of the bid or proposal opening, whichever is earlier. Portions of the meetings that do not involve presentations, questions and answers, or negotiation strategy or negotiation sessions are still open to the public and competing Vendors, but the new law limits public attendance to portions of such meetings.

79. **PURCHASE ORDER AND DELIVERY**

The successful Vendor shall not deliver products or provide services without a City of Port Orange Purchase Order, signed by an authorized agent of the City of Port Orange. The fastest, most reasonable delivery time shall be indicated by the Vendor. Any special information concerning delivery should also be included, on a separate sheet, if necessary. All items shall be shipped F.O.B. INSIDE DELIVERY unless otherwise stated in the specifications. This shall be understood to include bringing merchandise to the appropriate room or place designated by the using department. Every tender or delivery of goods must fully comply with all provisions of these requirements and the specifications including time, delivery and quality. Nonconformance shall constitute a breach which shall be rectified prior to expiration of the time for performance. Failure to rectify within the performance period shall be considered cause to reject future deliveries and cancellation of the contract by City of Port Orange without prejudice to other remedies provided by law. Where delivery times are critical, the City of Port Orange reserves the right to award accordingly.

80. **QUALITY**

The issuance of a written addendum is the only official method whereby interpretation, clarification or additional information can be given.

82. RECORDS/AUDIT

The Vendor shall maintain records sufficient to document their completion of the scope of services as a public record and as a requirement of the Contract. These records shall be kept for a minimum of three (3) years after completion of the Contract and in accordance with the requirements of public records retention as prescribed by general law. Records which relate to any litigation, appeals or settlements of claims arising from performance under this requirement shall be made available until a final disposition has been made of such litigation, appeals, or claims.

The City also reserves the right to award the contract on such items the City deems will best serve the interests of the City. The City further reserves the right to award the contract on a "split order" basis, or such combination as shall best serve the interests of the City unless otherwise specified. The City Council shall have the authority to reject any and all Responses. If the lowest and best Response exceeds the budgeted amount and the City Council does not make additional funds available, the purchasing agent with the help of the department head shall have the authority to re-advertise the article or articles for bidding after making sufficient changes in the plans or specifications to bring the cost within the limit of the money available. (Code 1981, §8-28.)

85. REQUEST FOR ADDITIONAL INFORMATION

Prior to the final Solicitation selection, Vendors may be required to submit additional information which the City may deem necessary to further evaluate the Vendor's qualifications to perform under the terms of the Solicitation and subsequent Contract.

86. REVIEW OF RESPONSES/SUBMISSIONS

A responsive Response is one which follows the requirements of the Solicitation, includes all required documentation, is submitted in the format outlined in the Solicitation, is of timely submission, and has the appropriate signatures as required

90. RULES, REGULATIONS AND LICENSING REQUIREMENT

The Vendor shall comply with all laws, ordinances and regulations applicable to the services contemplated herein, including those applicable to conflict of interest and collusion. In the event of default on the part of the Vendor after such acceptance, the City may take such action as it deems appropriate including legal action for damages or specific performance.

96. **SILENCE OF SPECIFICATIONS**

The apparent silence of specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of specifications shall be made on the basis of this statement. Materials such as legal documents and contractual agreements that the Vendor wishes to include as a condition of the bid must also be in the returned bid package. Failure to include all necessary and proper supplemental materials may be cause to reject the entire bid.

101. **TAXES**

The City of Port Orange is exempt from all federal excise, state and local taxes unless otherwise stated in this document. A Tax Exemption Certificate will be furnished upon written request to the City of Port Orange Purchasing Division.

102. **TERM CONTRACTS**

Acceptance by the City of Port Orange of Vendor's offer shall be limited to the terms herein unless expressly agreed in writing by the City. If the contract is intended to cover a specific time period, the term will be given in the bid specifications.

103. **TERMINATION**

The City of Port Orange reserves the right to terminate the contract for default if the Vendor breaches any of the terms therein, including warranties of the Vendor or if the Vendor becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which the City of Port Orange may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all services required to the City's satisfaction and/or to meet all other obligations and requirements. The City may cancel the Contract at any time for breach of contractual obligations by providing the Vendor with a written notice of such cancellation. Should the City exercise its right to cancel the contract for such reasons, the cancellation shall become effective on the date as specified in the notice of cancellation sent to the Vendor.

104. **TERMINATION - NOTICE**

Either party may cancel the contract at any time after award, unless otherwise specified. The City shall be required to give the vendor notice thirty days prior to the date of cancellation of the

contract. The vendor shall be required to give the City written notice (60) sixty days prior to the date of cancellation of the contract. The City of Port Orange may terminate the contract without cause upon thirty (30) days written notice.

The Vendor is advised to consult the using department for instructions. The place of delivery shall be specified in the bid specification and/or on the Purchase Order as a "Deliver To:" address.

106. UNBALANCED BID

A mathematically unbalanced bid is where a bidder places a high price on some items and a low price on other items in a unit price contract. A bid is materially unbalanced when there is reasonable doubt that acceptance of a mathematically unbalanced bid will result in the lowest overall cost to the City. Unbalanced Bids will be rejected if the prices are deemed materially unbalanced.

107. USE OF SOLICITATION FORMS

The Vendor shall complete the appropriate Solicitation Form(s) included in the Solicitation. All blanks on the Solicitation Forms shall be completed. If a question or confirmation is not applicable, it should be answered with an "N/A."

108. VARIANCES

For purposes of Response evaluation, Vendors must indicate any variances, no matter how slight, contained in the Response. No variations or exceptions by a Vendor will be considered or deemed a part of the Response submitted unless such variances or exceptions are listed in the Response and referenced in the space provided on the Response pages. If variances are not stated, or referenced as required, it will be assumed that the product or service complies with the City's terms, conditions and specifications. By receiving a Response, the City does not necessarily accept any variances contained in the Response. All variances submitted are subject to review and approval by the City. If any Response contains material variances that, in the City's sole opinion, make that Response conditional in nature, the City reserves the right to reject the Response or part of the Response that is declared, by the City, as conditional.

109. VENDOR'S PRODUCT OR SERVICES

The Vendor's product (if applicable) delivered to the City shall be free of all liens, claims or encumbrances, and the vendor warrants that it has a clear title to the product being delivered.

- a. If the Vendor is contracted to provide services, such services shall be fully satisfactory to the City as determined by the City.
- b. The Vendor shall provide the City with any data, reports or other information as required and requested by the City to enable it to utilize the product or service furnished by the Vendor.
- c. In furnishing the service or product to the City, the Vendor shall comply with all federal, state, county laws, and city rules, regulations and codes and their successors or amendments. Violation of such laws, rules, regulations and codes may be grounds for delaying or reducing the amount due, or in rescinding the contract, Contract, proposal or quote.

110. WAIVER OF IRREGULARITIES

The City of Port Orange reserves the right to waive and/or reject any non-substantial irregularity in Responses received whenever such waiver or rejection is in the best interest of the City and/or it does not meet the minimum requirements set forth. All reasonably responsive Responses will be considered. However, the City reserves the right to waive formalities or informalities in Responses, to reject, with or without cause, any or all Responses or portions of Responses, or to interview or not interview individual Vendors, and to accept any Responses or portions of Responses deemed to be in the best interest of the City. The city council shall grant the City Manager to waive any and all non-substantial irregularities in any and all formal Solicitations. (Code 1981, § 8-29; Ord. No. 2015-17, § 1,5-19-2015)

Vendors shall furnish all data pertinent to warranties or guarantees which may apply to items in the Response. Vendors may not limit or exclude any implied warranties. The Vendor warrants that product sold to the City shall conform to the standards established by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970. In the event product does not conform to OSHA Standards, where applicable, City of Port Orange may return the product for correction or replacement at the Vendor's expense.
