**Positive COVID-19 Cases Within Port Orange Fire and Rescue**

**PORT ORANGE, FL, June 19, 2020 —**

Two members of the Port Orange Fire and Rescue Department tested positive for COVID-19 yesterday. Affected personnel are isolating at home and are not working as per CDC and Florida Department of Health guidelines in order to eliminate the possibility of spread to others. All other necessary precautions have been taken to minimize the spread of the virus among any close contacts within the department. In addition, staff is being monitored for symptoms twice daily.
