

# CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING 02/07/06

**SUBJECT:** Award of Bid No. 06-03 Spruce Creek Rd Improvements

**DEPARTMENT:** Public Utilities

**RECOMMENDED MOTION:** To award Bid No. 06-03 Spruce Creek Rd Improvements to the firm of Masci Corporation in an amount of \$1,160,310 and to authorize the Mayor and City Manager to execute the associated contract documents on behalf of the City.

**SUMMARY:** This project involves (1) the installation of sidewalk, fiber optic conduit, stormwater system upgrades, gravity sewer lines and water line replacement on Spruce Creek Road from Commonwealth to Dunlawton (2) and the installation of a sidewalk in Buschman Park around the retention pond.

Two contractors submitted separate bids. Masci Corporation submitted the apparent low bid of \$1,160,310. Our engineering consultant, Quentin L. Hampton (QLH), evaluated the bids and unit prices. QLH determined that the prices in Masci's bid were found to be fair and representative of current industry standards, based upon the site-specific characteristics.

As a result, staff has found Masci Corporation to be the most responsive, responsible bidder, and we are recommending that Council award the project to Masci Corporation.

Construction funding is available in the Spruce Creek Rd Improvements Capital Project, UET019.
