

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 1 / 24 / 06

SUBJECT: Fire & EMS Reporting Hardware

DEPARTMENT: Fire & Rescue

RECOMMENDED MOTION: Approve the purchase of seven HP Compaq Notebooks and one desktop computer from JBT & Associates in the amount of \$10,212.

SUMMARY: The Department of Fire & Rescue needs the mobile data terminals (Compaq Notebooks) to replace the outdated units currently installed in the fire apparatus. Due to changes in technology the current MDT's do not have the capability of performing field communications and downloads on calls.

The desktop computer is to be installed at Fire Station 73. This Station operates with two ALS units and has a very high emergency call volume. The additional PC will allow for fire and EMS reports to be completed, by more than one firefighter, in a timely manner.

Monies are available in the 609 fund for this purchase.
