Attn: Ms. Traci Hess

Dear Ms.Hess:

The City of Port Orange presently has a contract with your firm for the above-mentioned services. Included in the original contract is an option for an extension, if mutually agreeable to both parties. The City would like to exercise that option for a one (1) year extension as outlined in the contract. This extension retains all the prices, terms and conditions as in the original contract.

Exercising this option requires a new written contract extension that must be approved by the City Council. In order to initiate this action, your acceptance is required.

Please indicate your acceptance to extend the agreement by signing in the appropriate space provided. Return the original signed letter to me. An agenda item will be prepared and presented to the City Council for their formal approval.

Your contacts on behalf of the City during the upcoming year of extension are Chief Gerald Monahan, or his designee Commander Wayne Miller. They may be contacted at 386-506-5870 and 386-506-5811 respectively. Should you have any other questions, you can always reach me at 386-506-506-5704.
