

# CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 1/09/07

**SUBJECT: C.O. # 1 – Deductive to Vila & Sons – Ballfield Irrigation System**

**DEPARTMENT: Recreation Dept.**

**RECOMMENDED MOTION:**

Approve the deductive change order # one (1) to Vila & Sons for \$22,706.70 for deletions in the irrigation system which will bring their bid into our budgetary figures.

**SUMMARY:**

Bids were solicited for Ballfield Irrigation System for the City Center Sports Complex. Two (2) bids were received. The lowest most responsible bid received was from Vila & Sons in the amount of \$97,331.91. Because this bid was over budget, a reduced scope of work thereby creating a deductive change order in the amount of \$22,706.70 has occurred. Staff recommends City Council approve this deductive change as stated. This will make a grand total for the Ball field Irrigation System of \$74,625.79.

Funding for this project is with carryover funds along with current year funding.
