**Re: Request for Continuance of City Council Hearing on
Wal-Mart PCD Rezoning Application (Case No. 05-65000007)**

Dear Mr. Parker:

During the course of the past several months, Wal-Mart has been diligently pursuing its review of concerns expressed by both your office and the City Council regarding the proposed Supercenter at Nova and Madeline Road. We continue to examine various options for addressing the City's concerns, but it does not appear that we will be in a position to present you with a final proposal in advance of the next hearing date, currently scheduled for October 23, 2007. Accordingly, we respectfully request a continuance of the hearing on this matter to January 15, 2008. Such a continuance will allow us an opportunity to finalize our proposal and, because it would take us past the Christmas holidays, ensure that ample opportunity exists for citizen participation at the final hearing.

Thank you for your consideration of this request, and please do not hesitate to contact me with any questions you may have.

Very truly yours,

Karl J. Sanders
