Ken

Jerry: you are aware that PAL is receiving this donation on next Wednesday night at the City Council Meeting? Can you have somebody there to accept the donation.

Shirley:

Each year, the Daytona Dirt Riders hold the Alligator Enduro on the City wellfield property. After the event, they select a group to receive a charitable contribution. This year Mr. Steve

Pettenger of the Daytona Dirt Riders will be presenting a donation on behalf of the Daytona Dirt Riders to the Police Athletic League.

Call if you have any questions.

Thanks - Mike
