RECOMMENDED MOTION:

It is recommended that we purchase the Annual Software & Technical Support Maintenance from HTE at a cost of \$96,700 for FY09.

This is the annual software and technical support maintenance agreement we purchase from HTE so that we can continue to receive their support and any new enhancements they may make to our eleven (11) AS/400 software applications. Each application is budgeted in account 501-0700-590-46-36.

HTE's billing cycle varies for each application throughout the fiscal year and exceeds the \$25,000 authority limit. The Agreement supports the current City and archived Public Safety system operations.
