

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 03/17/2009

Subject: Approval to Extend the Lake Contract with Aquatic Weed Technology.

Department: Public Works.

Recommended Motion:

Staff recommends approval to renew the lake contract with Aquatic Weed Technology for a total annual cost not to exceed \$41,547.42.

Summary:

The lake contract (Bid 07-08) is due to renew on May 1, 2009. As with most maintenance contracts, this contract does allow for an annual CPI rate increase; however when computed (see sheet attached), the rate is a *negative* .08%. The contract does not address "negative" CPI rates and Aquatic Weed Technology is willing to renew without any increase in price.

In 2007 when Council awarded the lake bid, All American Aquatics (now Aquatic Weed Technology) bid was \$8,300.00 lower than second low bid, and \$10,000.00 lower than the previous years contract (under a different vendor). Staff is satisfied with Aquatic Weed's performance and we recommend the agreement be extended another term. Total annual cost will not exceed \$41,547.42 and the spreadsheet attached provides a list of all areas and maintenance cost associated with each.
