REQUESTED COUNCIL MEETING DATE 5 / 18 / 10

**SUBJECT:** Recognition of Covidien Healthcare

**DEPARTMENT:** Fire & Rescue

**RECOMMENDED MOTION:** To recognize Covidien Healthcare for their donation of Sharps Collection Containers for our Community Sharps Collection Program.

**SUMMARY:** Port Orange Fire-Rescue has offered a Sharps Collection Program for the citizens of Port Orange since August of 2009. This program has been extensively utilized in our community; to date, the Department has collected over 400 containers for proper disposal and provided 210 new containers to Port Orange residents. This program is solely supported by donations from outside sources. Port Orange Fire-Rescue requested assistance from Covidien Healthcare located in Deland to support this program. The Covidien Corporation manufactures healthcare equipment including needles and sharps collection containers. We were recently advised that Covidien would help support our program efforts with a donation of Sharps Collection Containers. We would like to thank them for their assistance with our endeavor and recognize them as an integral community partner.
